# AMA SOUND TESTING KITS AVAILABLE

*Application Deadline Is March 31*

The AMA is giving away sound testing kits to AMA Districts, club members and others who educate riders about sound.

The kits contain a Type 2 sound meter, a tachometer, training materials, a spark-arrestor probe, personal protective equipment and a storage case.

Kits are awarded through a competitive grant process. Ten kits will be awarded in 2018.

Applicants must complete a form and return it to the AMA by March 31.

Forms and additional information are available from Steve Salisbury, government affairs manager for off-highway issues, at American Motorcyclist Association, 444 North Capitol St. NW, Suite 837, Washington, DC 20001; at (202) 220-1390; or at [ssalisbury@ama-cycle.org](mailto:ssalisbury@ama-cycle.org).

Applications are considered twice. So, those who submitted applications in 2017 but were not selected, need not submit applications to be considered for the 2018 grants.
